RE: Charlton & Hill Christmas Party, December 12, 2009

As the Social Club President, for the Charlton & Hill Group, I always have an eye open for new entertainment to add to our annual staff Christmas party. This summer I was lucky enough to attend a wedding that Cary and the Sounds Unlimited Staff were providing the Dee Jay services for. I was so impressed by the level of professionalism that Cary and his staff provided, that I made the call the following week to book them for this year's Christmas party.

From the very first call to the day of the Christmas party, Cary was able to provide answers to any questions or requests that I had. I can honestly say that in the seven years of planning this event, it was the best experience I have ever had, coordinating with a vendor.

The C & H staff has made a point of sending e-mails and picking up the telephone, to let me know how much they enjoyed the party this year. A large part of that success is because of Sounds Unlimited. The dancing seemed to never stop, and the laughter coming from the dance floor was a true sign of what a great time everyone was having!

I cannot begin to thank Cary and the Sounds Unlimited Staff enough, but from the bottom of my heart.... Thank you for making this year's Christmas Party the best to date, and we cannot wait to work with y'all again next year!

Sincerely,

Angel Reck
